Tag der offenen Tür or TGLS Open House

On May 4th, Tacoma German Language School will be celebrating Maifest at 11am. On this day, TGLS would like to welcome prospective students to visit our school and classes from 9:30-10:45 am. If you or someone you know is interested in observing a class during our open house, please contact the principal at tglstacoma@outlook.com and return this completed form. Although this is an open house, we still ask that everyone register before attending. We will not accept drop-in visitors.
